VERONA, NEW YORK EDITOR: CHRISTOPHER MANASERI

Time it was,

And what a time it was,

It was . . .

A time of innocence,

A time of confidences.

Long ago . . . it must be . . .

I have a photograph.

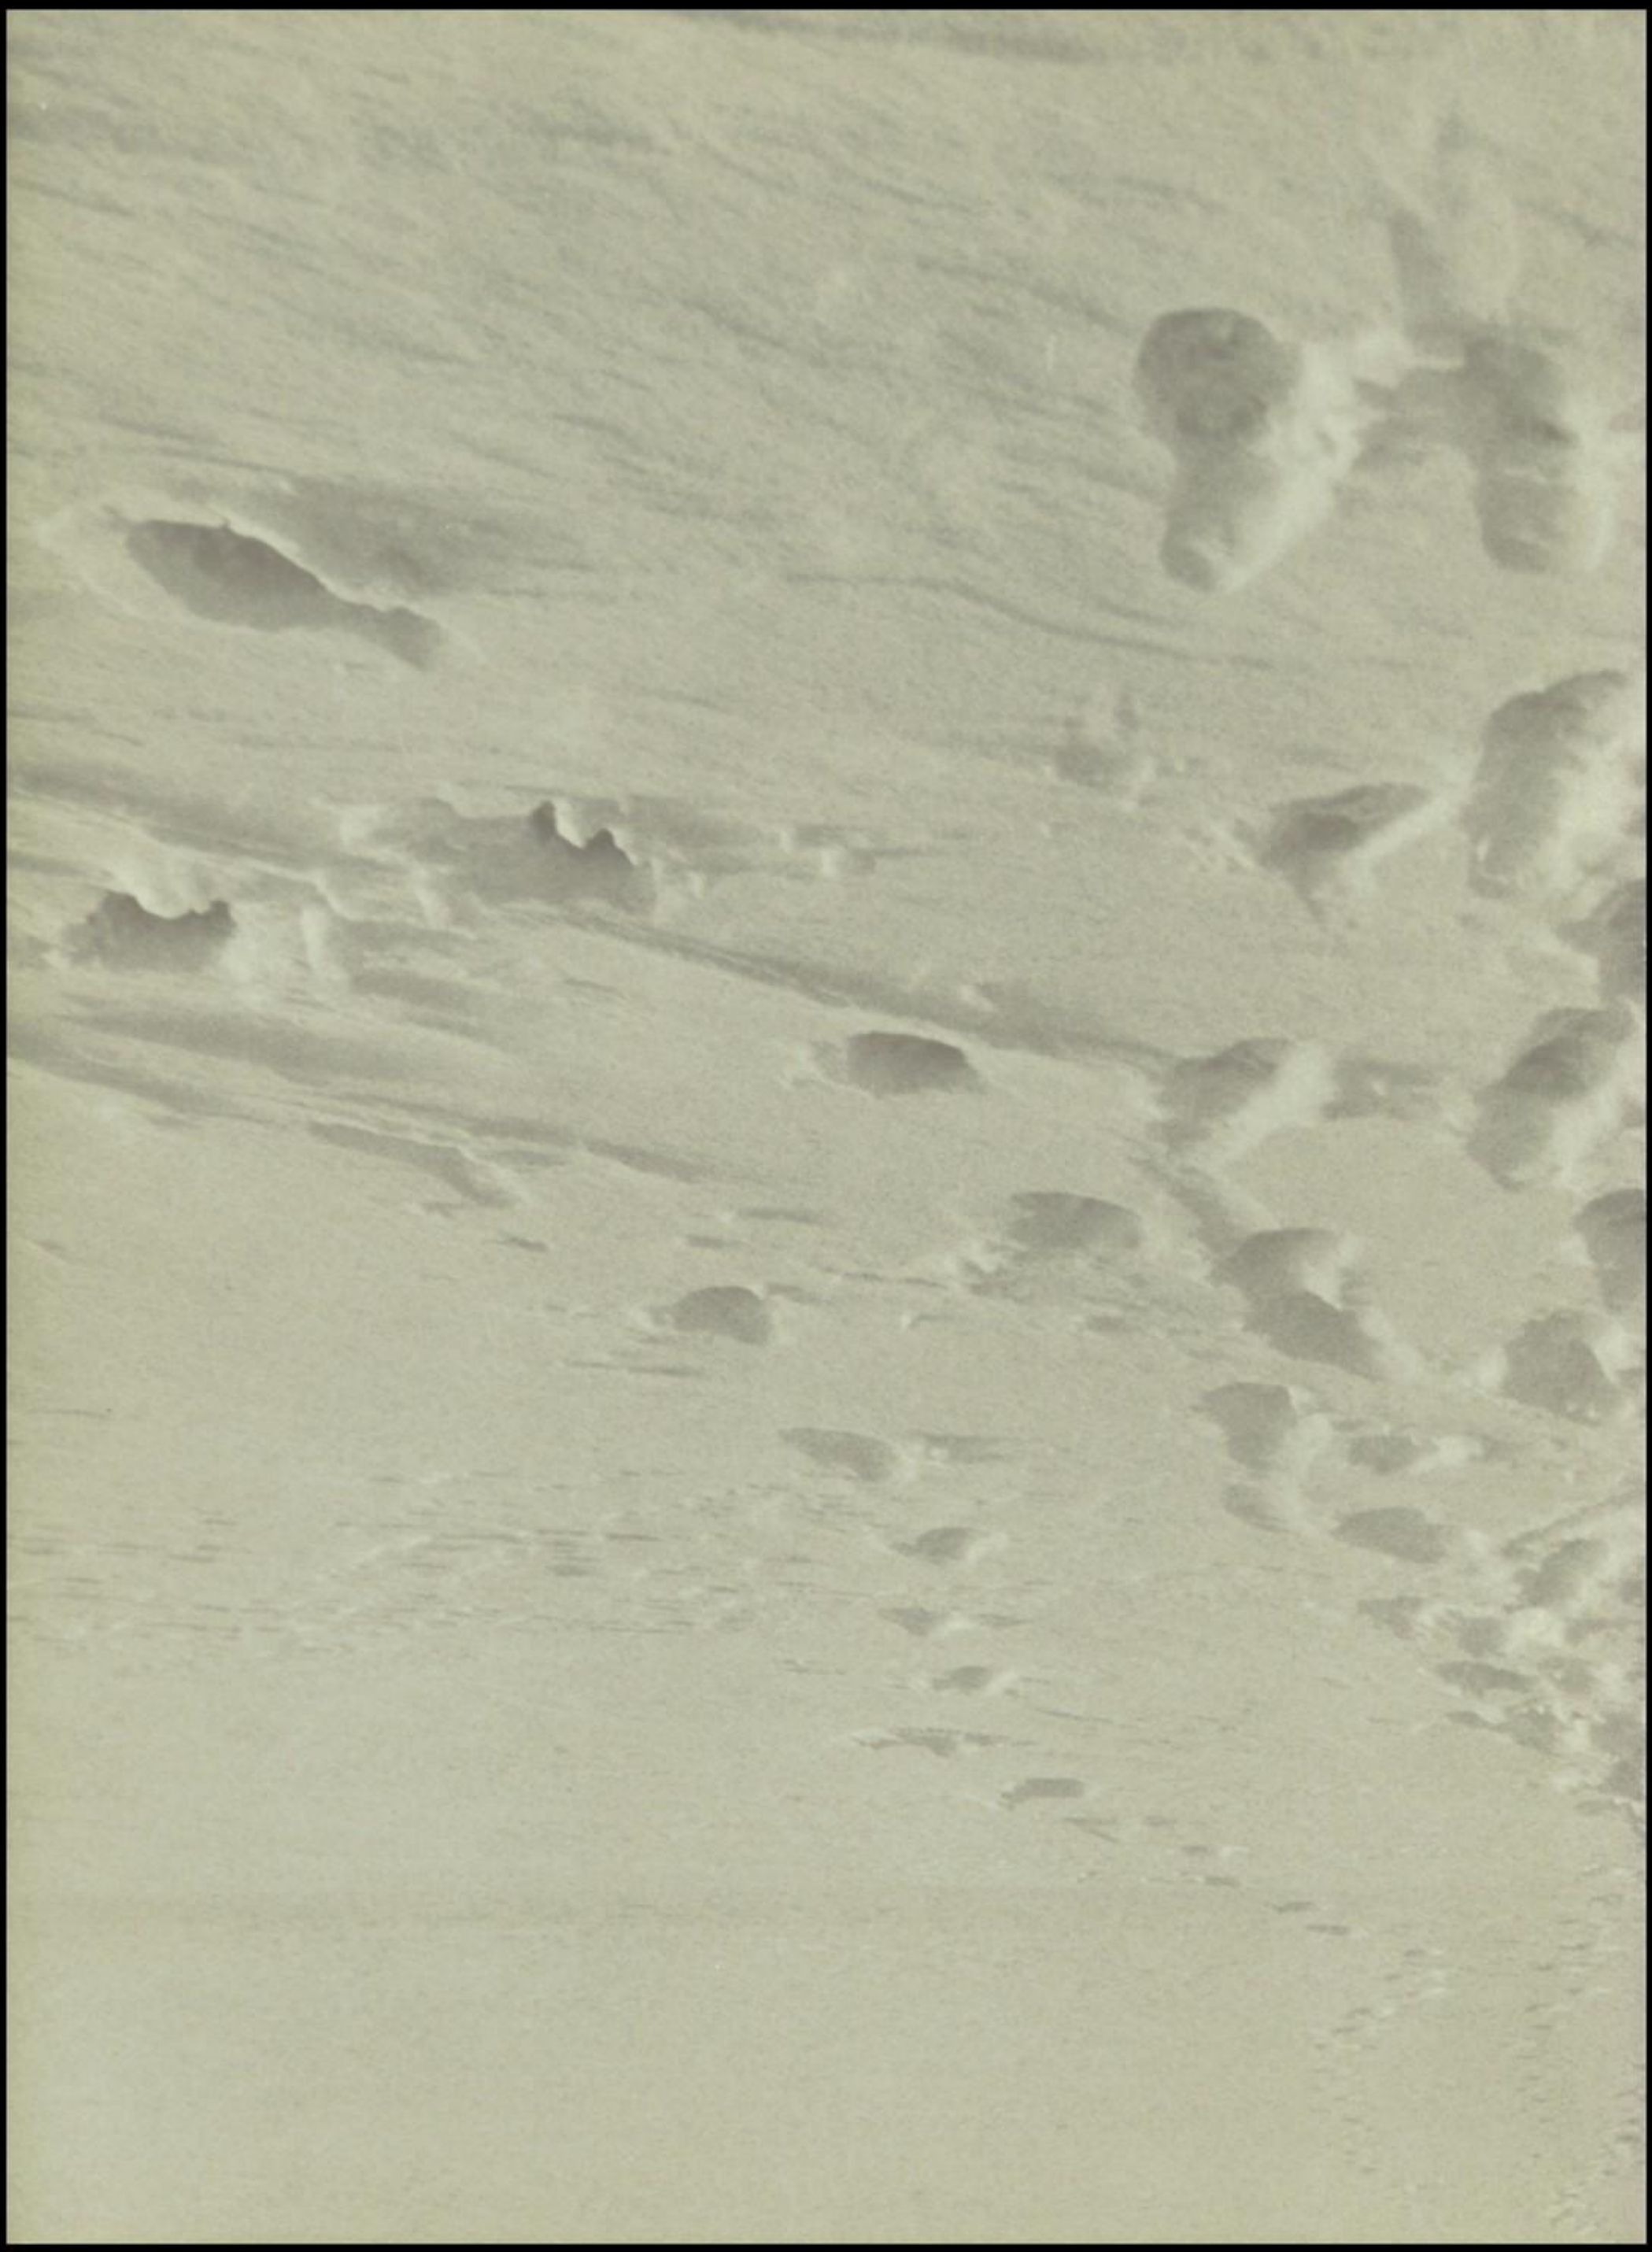
Preserve your memories;

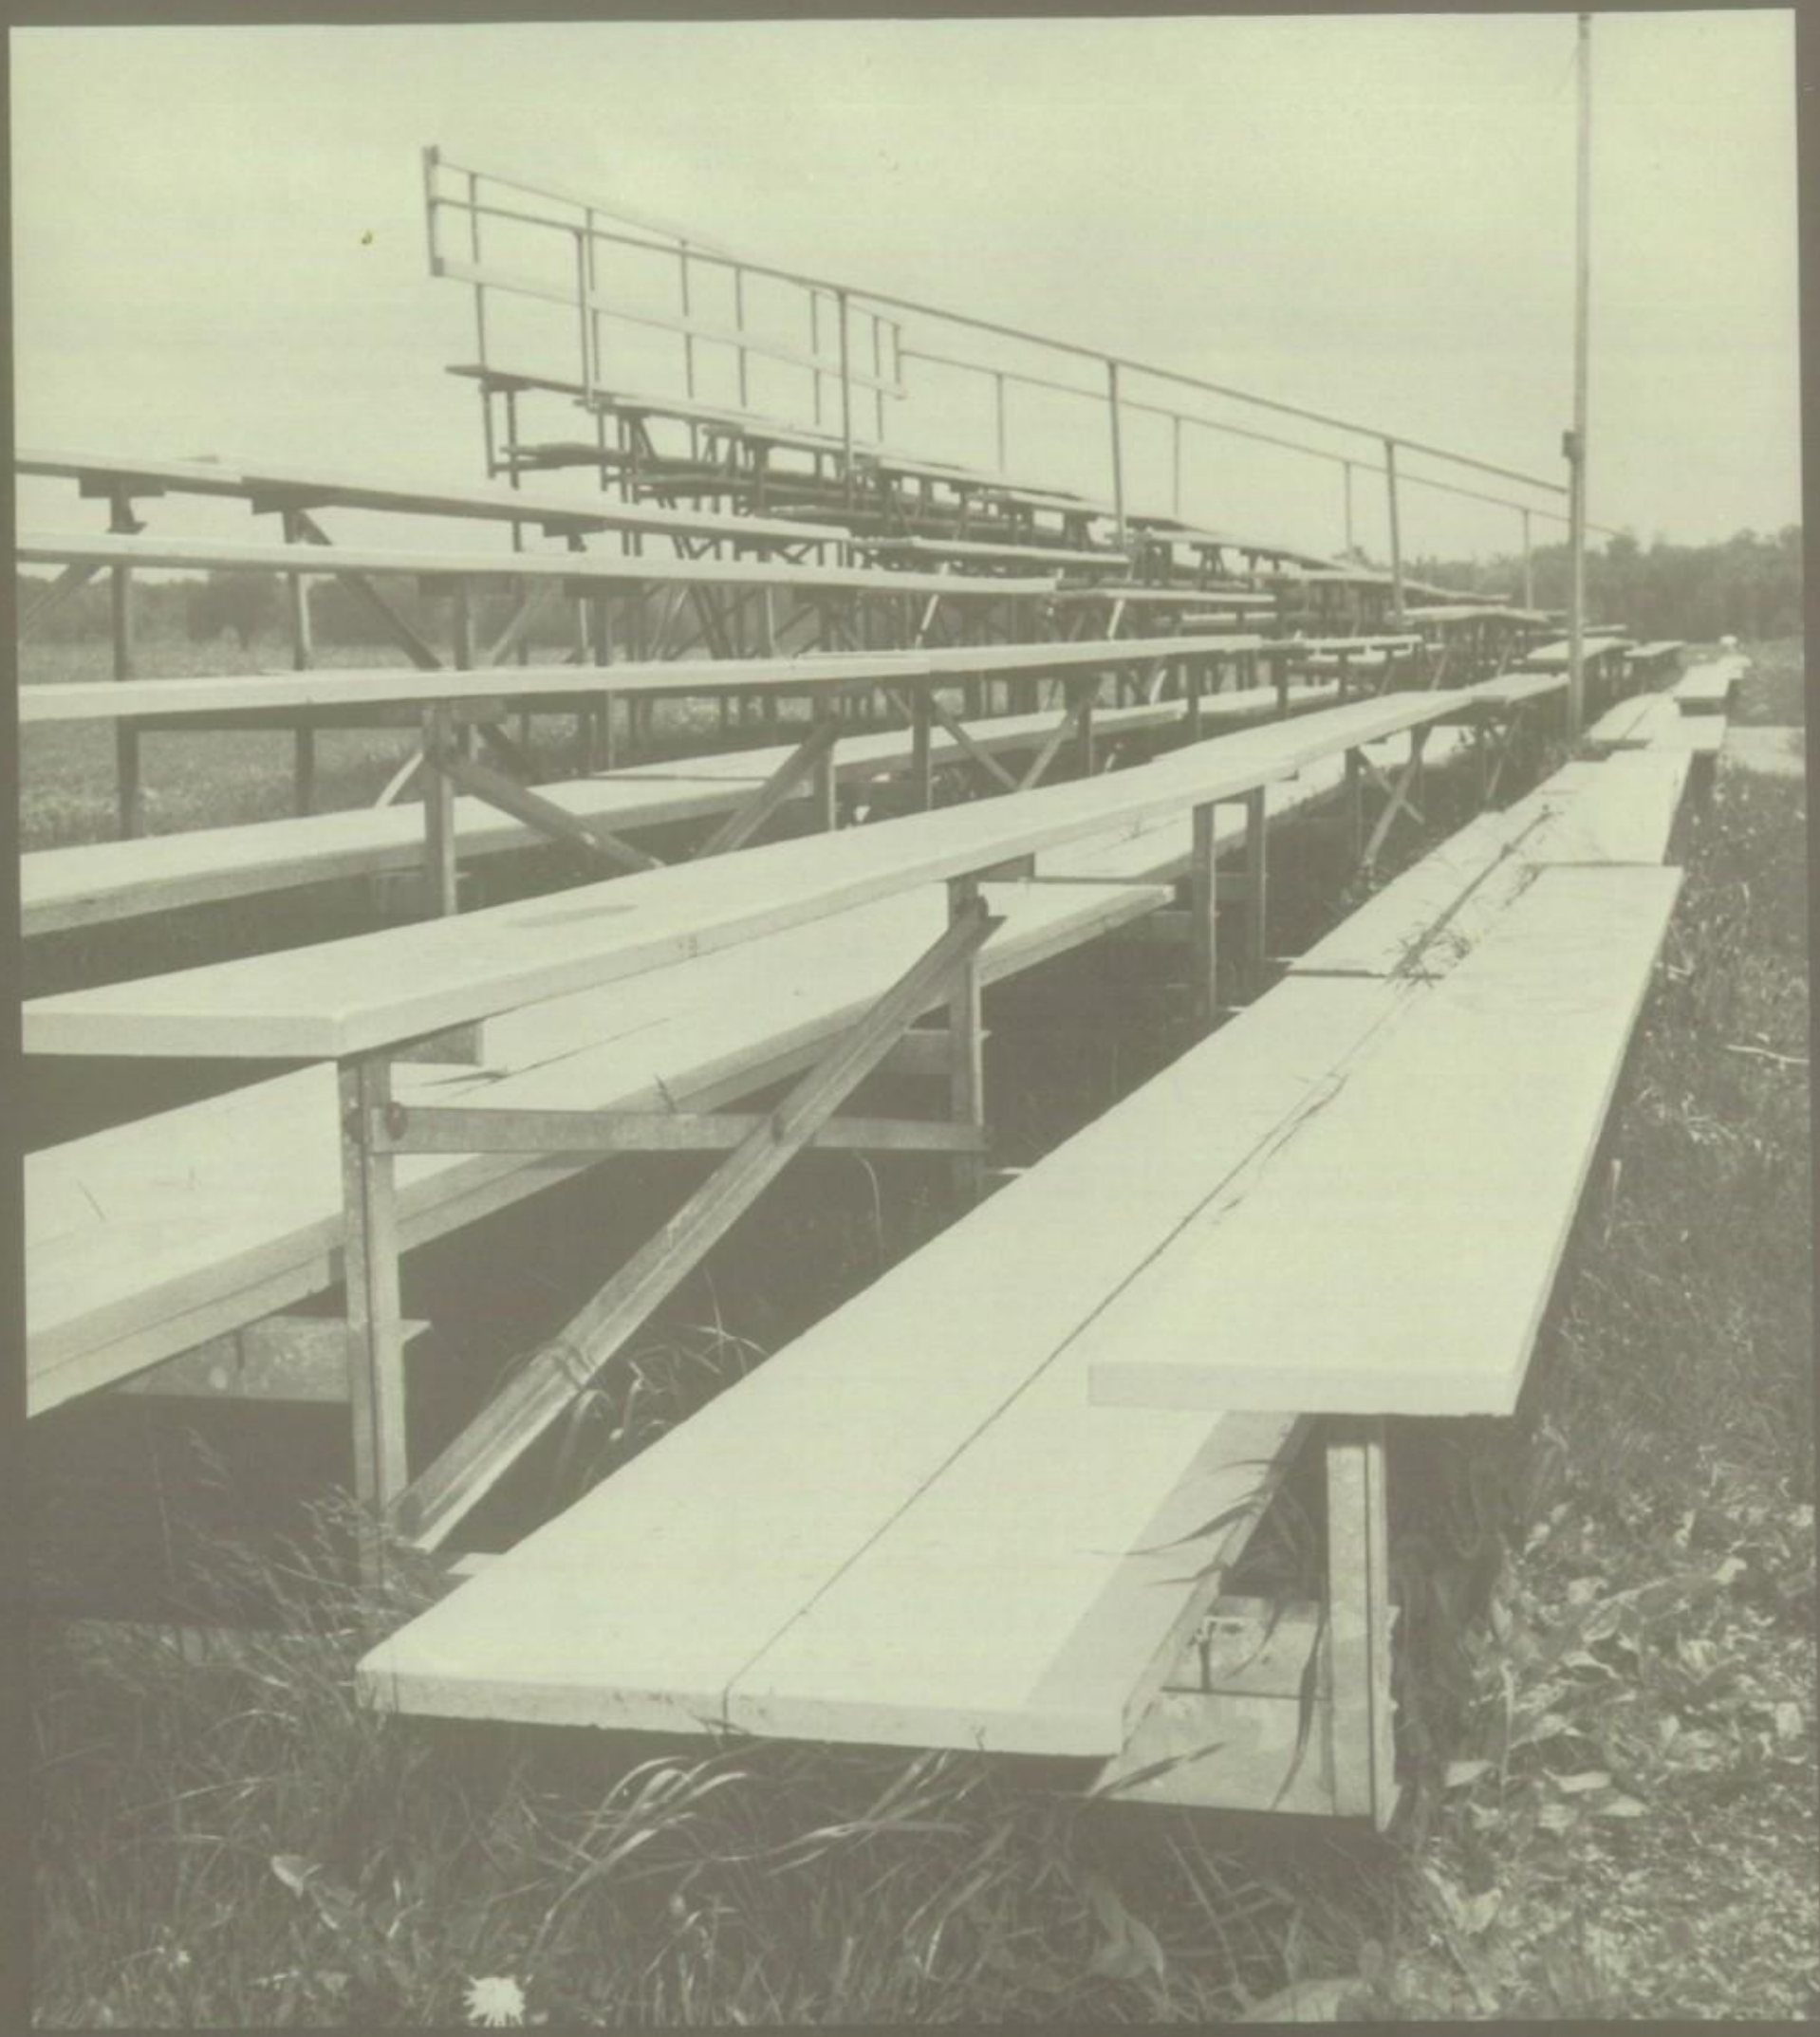
They're all that's left you.

—Paul Simon

DEDICATED TO THE CAUSE OF PEACE

**Blessed are the peacemakers:
they shall be called the
children of God.**





To everything there is a season,
and a time to every purpose
under the heaven:

A time to be born, and a time to die;
A time to plant, and a time to pluck
up that which is planted;
A time to kill, and a time to heal;
A time to break down, and a time
to build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a
time to gather stones together;
A time to embrace, and a time to
refrain from embracing;
A time to get, and a time to lose;
A time to keep, and a time to
cast away;
A time to rend, and a time to sew;
A time to keep silence, and a time to
speak;
A time to love, and a time to hate;
A time of war, and a time of peace.

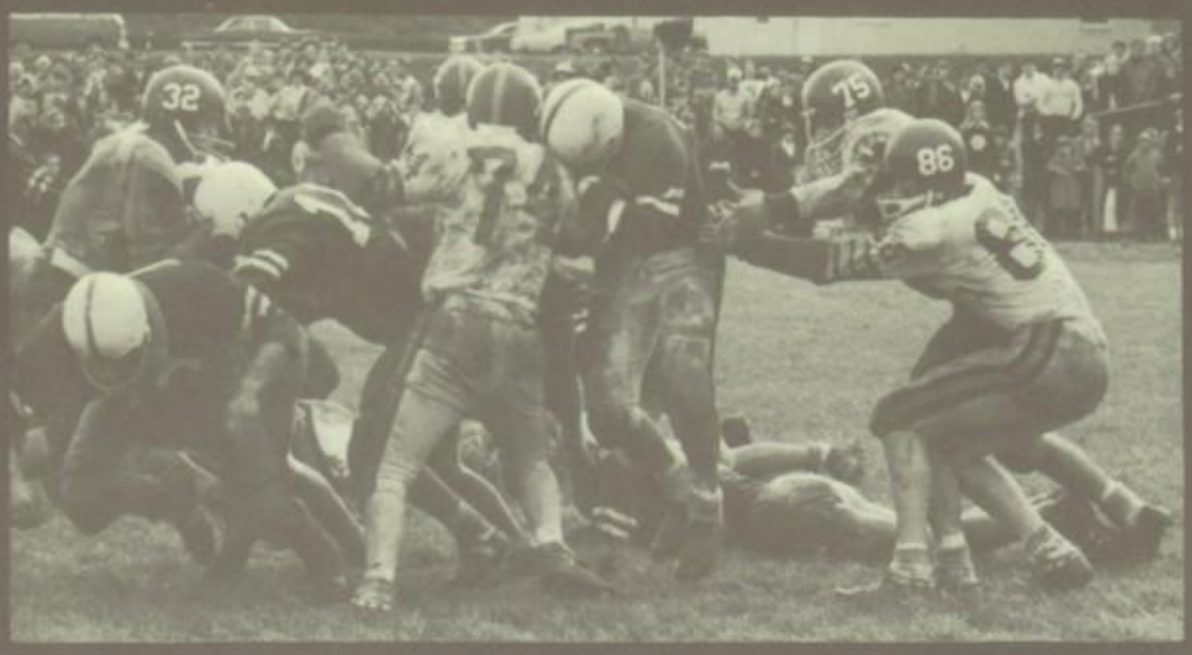
Ecclesiastes 3:1-8

A SEASON OF CONTEMPLATION . . .

WE ARE OUTSIDE LOOKING IN . . .

IT'S A SMALL WORLD . . .

WHERE HANG-UPS COME IN MANY FORMS . . .



FALL

CAUSING INNER TENSIONS . . .

FACING PROBLEMS OF COMBINATIONS . . .

WITH A GOAL IN MIND.

This was the year of the "extra inch"! We won a championship by beating two of the best teams ever to be produced in the Tri-Valley League. We beat them with greater desire, leadership, courage, and getting the "extra inch".

After beating Canastota when everyone said, "No way possible", we took on favored Cazenovia in our must crucial game. Our team met the challenge with their best effort of the year.

It took 16 and 22 consecutive plays to score our first and second touchdowns. During our second scoring drive we made five measured first downs by inches. After falling behind 13-12, our third and winning T.D. came on a pass that the defender missed knocking down by inches.

And so it went. Some say, "V.V.S. was lucky", but those who know our team realize that it wasn't luck that produced a championship. It was the "little extra" that each team member gave to get the "extra inch".

SCHOOL SPIRITS

Row 1: S. Vanderhoof, M. Theisen, B. Willson. Row 2: J. Agan, A. Smith, S. Ficshbeck, E. Carney. Row 3: J. Johnson.

The Varsity Cheerleaders were really outstanding this year because they cared so much and were so dedicated to the varsity teams. The pep rallies that these dauntless girls presented to the school were always appreciated and were a great boost to the players' morale. While the cheers may fade from memory in time, the Varsity Cheerleaders will never be forgotten.

PEP CLUB

Oh VVS is ready for the fight,
And when they fight
They'll fight with all their
might,
And when they play their game,
they'll play it right,
When they lose, you'll
know they met a worthy
foe.
Come on, and cheer, cheer,
cheer for the red and
white,
The team that's always
ready for the fight.
So when VVS is in the lead
with the speed,
Come on, and cheer, cheer,
cheer.

COLOR GUARD

Marching and performing to the music provided by the marching band, the V.V.S. Colorguard offers the sports spectator a skillful performance. One is absorbed by the girls' deft handling of the colorful banners and the skillful perfection of rifle drills. The twenty-five girls in the Colorguard provide a pleasant performance for the entertainment of the crowds.

MAKE US SMILE

Tensions are high after the first half of a hard-fought football or basketball game. It takes the skill and precision of the majorettes to p r o v i d e the crowds with a relaxing show as a break in the tension. The talents of this select group of young girls are a complement to the marching band at these games and in local parades.

The J.V. team displayed fine offensive (26 pts. per game) and defensive (allowed just 7 pt. per game) units to achieve their 8-0 record.

It was an outstanding team effort that made the season a complete success.

WE'VE ONLY JUST BEGUN

Endless hours of practice, hoarse voices, sunny smiles, and frost-bitten fingers all make up a J.V. Cheerleader. Through their support, they helped to pave the way to an undefeated season for the J.V. football players.

A LONG TIME COMIN'

Highlighted by a 14-12 victory over Oneida in the season opener, the Freshman Football team went on to compile a 4-2 record. Credit for this profitable season can be given to a tremendous team spirit and the enthusiastic leadership of the V.V.S. cheerleaders.

Sports at V.V.S. would not be the same without the tireless Freshman Cheerleaders. With a jump and a yell, they are always there, cheering the frosh teams to victory.

VARSITY SOCCER

Led by co-captains Brad Pawlikowski and Kurt Thompson, the V.V.S. Soccer Team began the season with an inexperienced line-up and ended it as a cohesive fighting unit they could all be proud of. Their well-earned victory over previously undefeated Utica Free Academy was proof of their spirited efforts.

RED DEVILS MEET ACHILLES HEEL

The V.V.S. Cross-Country team faced a tough challenge this year in the Tri-Valley meets. Although they did not finish the season with a perfect record, they had faith in themselves and in their teammates. Gary Onyan, who made the Tri-Valley League All-Stars and was voted Most Valuable, was a great asset to his team throughout the season. Other top runners included: Pete Cosola, Fred Sandefer, Tim McLellan, and Bob Tallini.

FIELD HOCKEY

We had a talented, but inexperienced team, which helps to account for our "ups and downs." The team made steady improvement all year, especially on offense. The girls have a lot to be proud of in their tie for second place in the Tri-Valley League.

Students in the junior high have a voice in the workings of the school through the Junior High Student Council. As stated in the preamble in their constitution, it is their aim "to create better cooperation and a closer relationship among students and between students and faculty, to promote the general welfare of the school, to inspire better citizenship and to encourage leadership." These ends are attained through their yearly projects such as the slave day, dances, assemblies, and a spring carnival.

APPRENTICE POLITICS

LIBRARIAN
MRS. GIFFORD

Service is the password for the Junior High Library Club. Volunteer work is clerical in nature: carding and shelving books and magazines, straightening shelves, writing and delivering overdue slips.

Its more enjoyable duties are helping students in the library. From this job great personal satisfaction may be derived.

The primary job of the Club is to make the library an efficient and pleasurable place in which to do research, study, read for enjoyment, and browse for ideas.

YORKERS

Under the direction of Miss Bennett, the Yorker Club at V.V.S. studies New York state history. This organization, comprised of junior high students, was founded in 1966. Since then, the members have attended the state convention at Lake Placid, visited Cooperstown, and are presently planning an educational field trip to either Cooperstown or the St. Lawrence Seaway.

The members of the Yorker Club hope to further their knowledge about the history of New York and encourage others to take an active interest also.

$$C_6H_{12}O_6 + C_6H_{22}O_{11}$$

$$C_{12}H_{27}O_{11} + H_2O$$

This type of reaction may be imagined as occurring in the sugar cane or the sugar beet. Figuring out the above is not all that the top students who are in the Junior High Science Club do. They have several goals; two of the major ones are the Scholarship Fund and raising money to go on field trips. It is their efforts that make their club a success.

CLASS OF 1975

The perfect conclusion of a successful season was the football dance. A pulling together to plan and prepare is the key to bring about a success on the field or on the dance floor. The glory of the year was shown by the gold of the trophy, as the glory of the celebration was shown in the decorations of gold. The queen Nancy Fischbeck and her court were the final touch in . . .

Plagued by injuries and lack of interest by the student body, the team has struggled to a 2-12 record for the season. The two wins were over Cazenovia, 67-46, and Oneida, 61-54. In most of the other games the team found itself close or ahead at the half; then it fell by the wayside during the second half. Top Scorers were Dan Urtz and Dom Miceli, and the top rebounders were Buzz Cmaylo and Mark Fuller.

Row 1: S. Hopkins, C. Darling, F. Wall, G. Deal, W. Collins. Row 2: S. Young, J. Bentley, M. McElroy, M. Bierworth, J. Cossette, Mr. Wilensky.

J.V. BASKETBALL

The J.V. basketball team faced a tough challenge this year although the members of the team worked hard and were competent. The games contained many interesting highlights as the boys struggled for a victory. The two top scorers were Fred Wall and John Cossette. Top rebounders were Wall and Jeff Bentley.

Leading a close-trailing team to a current 4-3 league record, top scorer and rebounder captain Bob "Gunner" Cummings, assisted by Bill McLellan in scoring and Dave Sandefer in rebounding, managed to lead the team to a current 4-5 overall record.

FROSH BASKETBALL

VARSITY WRESTLING

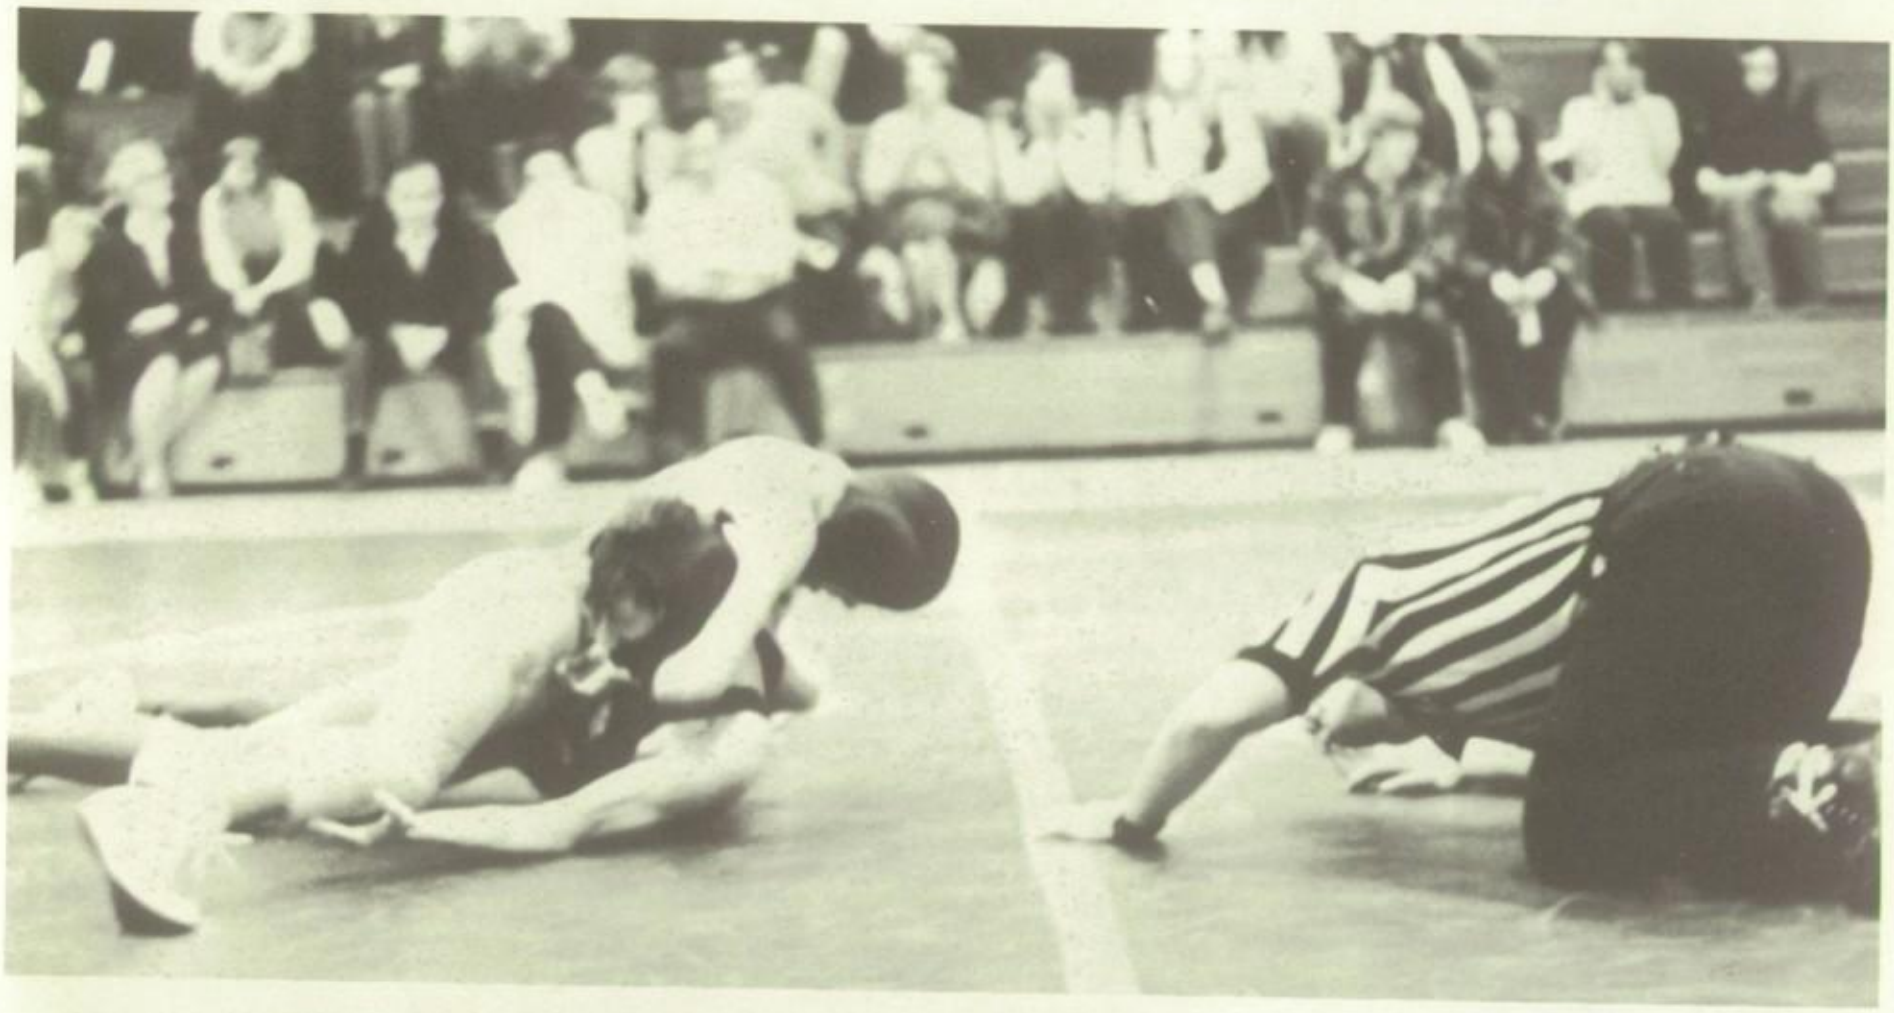
Row 1: B. Hunt, J. Griffith, S. Todd, B. Cable, G. Magliocca, K. Richmond, B. Zophy. Row 2: K. Nelson, M. Cashone, S. Zabele, M. Northrup, B. Deecher, P. Hatch, T. Bevivino. Row 3: Mr. Little, L. Van Wie, B. Sreca, J. Barron, T. Houck, M. Corman, E. Murphy, E. Linton, E. Dresser, E. Nicoletti, T. McLellan, K. Richmond.

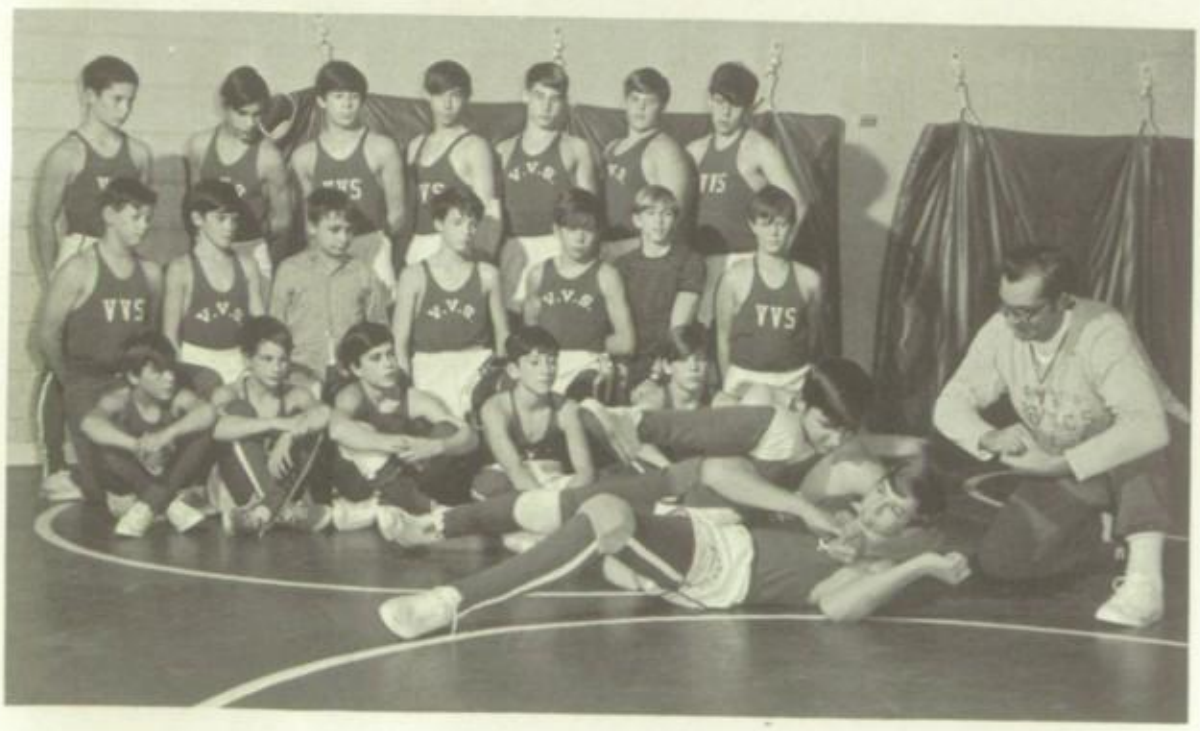
This is the end of a decade, and one might think it a fitting notation that the varsity wrestling record is the same as it was ten years ago with 3 wins and 11 defeats.

Presently, with 4 meets left in the current season, our record is 2 wins and 8 defeats.

However, in fairness to the boys participating it should be noted that over the past 6 years wrestling in Central N.Y. has become more competitive. The fact that Section III won the intersectional tournament last is proof of such an improvement.

Twenty-eight boys are still on the roster from the original forty who began last November.





FROSH WRESTLING

Row 1: B. Hill, G. Witchley, Mr. Jaquays. Row 2: D. Vanderhoof, S. Loucy, A. Vanderhoof, J. Deecher, K. Richmond. Row 3: P. Talini, T. Tubbs, B. Anders, H. Regner, L. Clark, T. Deecher, M. Vanderhoof. Row 4: G. Skubon, D. Kranbuhl, A. Usborne, L. Vanderhoof, T. Lust, D. Herrig, B. Wiley.

WINTER TRACK

Row 1: P. Cosola, G. Onyan, F. Sanderfer, T. Roye, B. Lichorwic, T. Crowley, B. Smith, H. Williams, M. Tropia, J. Webb, H. Atwel, D. White.

Keeping in shape for the spring season, the Winter Track team has been working out since December in the school building. The sixteen sprinters, distance runners, and field men have competed in indoor events at Syracuse Manley Field House, Cortland University and a number of other locations. With new records being set for the mile relay and the 1280 yard relay, the team anticipates a record breaking Spring Track season.

T-BARS AND TRACK SHOES

SKI TEAM

They're off! With mighty thrusts of energy and fiery determination, the Ski Team has proved itself to be a worthy representative of V.V.S. The team, in its second season, competes with area schools and plans to hold meets at Snow Ridge, Old Forge, and Manlius.

WINTER WARM-UP

Row 1: S. Martin, B. Walizewski, S. Muth, M. Cullen, D. Kent, K. Klein, S. Zoladz. Row 2: Miss Cole, C. Wuest, D. Caufield, H. Fox, S. Haight, S. Morrison, K. Donivan, S. Wright, R. Collins.

VARSITY BASKETBALL

The girls' varsity basketball team fought its way into the second year with a 3-3 league record, an improvement over previous years.

The season ended with G.A.R.A. trophies for individual accomplishments. The award for most improved player went to Karona Klein, and most valuable player to Sue Wright.

With great effort on the part of the girls and support from the student body, girls' varsity teams are becoming a respected school activity.

This year the members of F.T.A. crept behind the lines and peered into the mechanics of the teaching profession. By cooperating with the faculty, they found out how the other half works.

NATIONAL HONOR SOCIETY

This year the National Honor Society made its debut as an active organization at V.V.S. Although the group is small and the membership select, the members have made big plans.

They hope to attend a session of the United Nations in New York City and to participate in a simulated U.N. session at Auburn College. These experiences in observing world government in action should add substantially to the character of the members, their leadership, scholarship and service.

BOYS AND GIRLS STATE

Boys' and Girls' State, sponsored by the American Legion Auxiliary, is a program devoted to the study of democratic government. Students are admitted to this select group on recommendations of teachers. The members of this organization go on yearly trips to Albany and Morrisville, where they participate with other students from all over the state in a workshop on democratic government.

MATHLETICS

The Mathletics team consists of five members; one freshman, one sophomore, one junior, and two seniors. These contestants each answer two questions based on the work of their respective year, and all five team up to answer the ninth question. Each member has fifteen minutes in which to answer his questions. Qualifying tests are administered to any math student wishing to participate.

REFLECTIONS

Hard work and determination are necessary for any successful work; the 1970-71 REFLECTIONS is no exception. Meeting deadlines, collecting articles, and tracking down new ideas are only a part of the endless jobs a newspaper requires. Many thanks are to be extended to our staff including the reporters, artists, speed typist, as well as the dedicated one-finger typing experts. We cannot forget Sissel Halden, from Norway, who was one of us who gave of their time and effort to the REFLECTIONS sessions. Of course, our gratefulness goes out to our faculty advisors for their guidance in making the REFLECTIONS a bulletin and paper.

BEAUJANGLES

"I knew a man,
Bojangles,
and he danced for you,
In worn-out shoes,
Silver hair, a ragged shirt,
And baggy pants,
The old soft shoe.
He jumped so high,
Jumped so high,
Then he lightly touched down
Mr. Bojangles,
Dance."

F, the first letter of FNA, stands for the future. Girls with their eyes on a career in the future of helping people belong to this organization. This year the V.V.S. Chapter of the American Field Service is celebrating its tenth anniversary. During this period V.V.S. has hosted thirteen foreign students and sent five V.V.S. students abroad. Our foreign students have come from nearly every corner of the globe—such as Uganda, Japan, Chile, and Norway; and V.V.S. students have gone to such places as Brazil, Costa Rica, and the Netherlands.

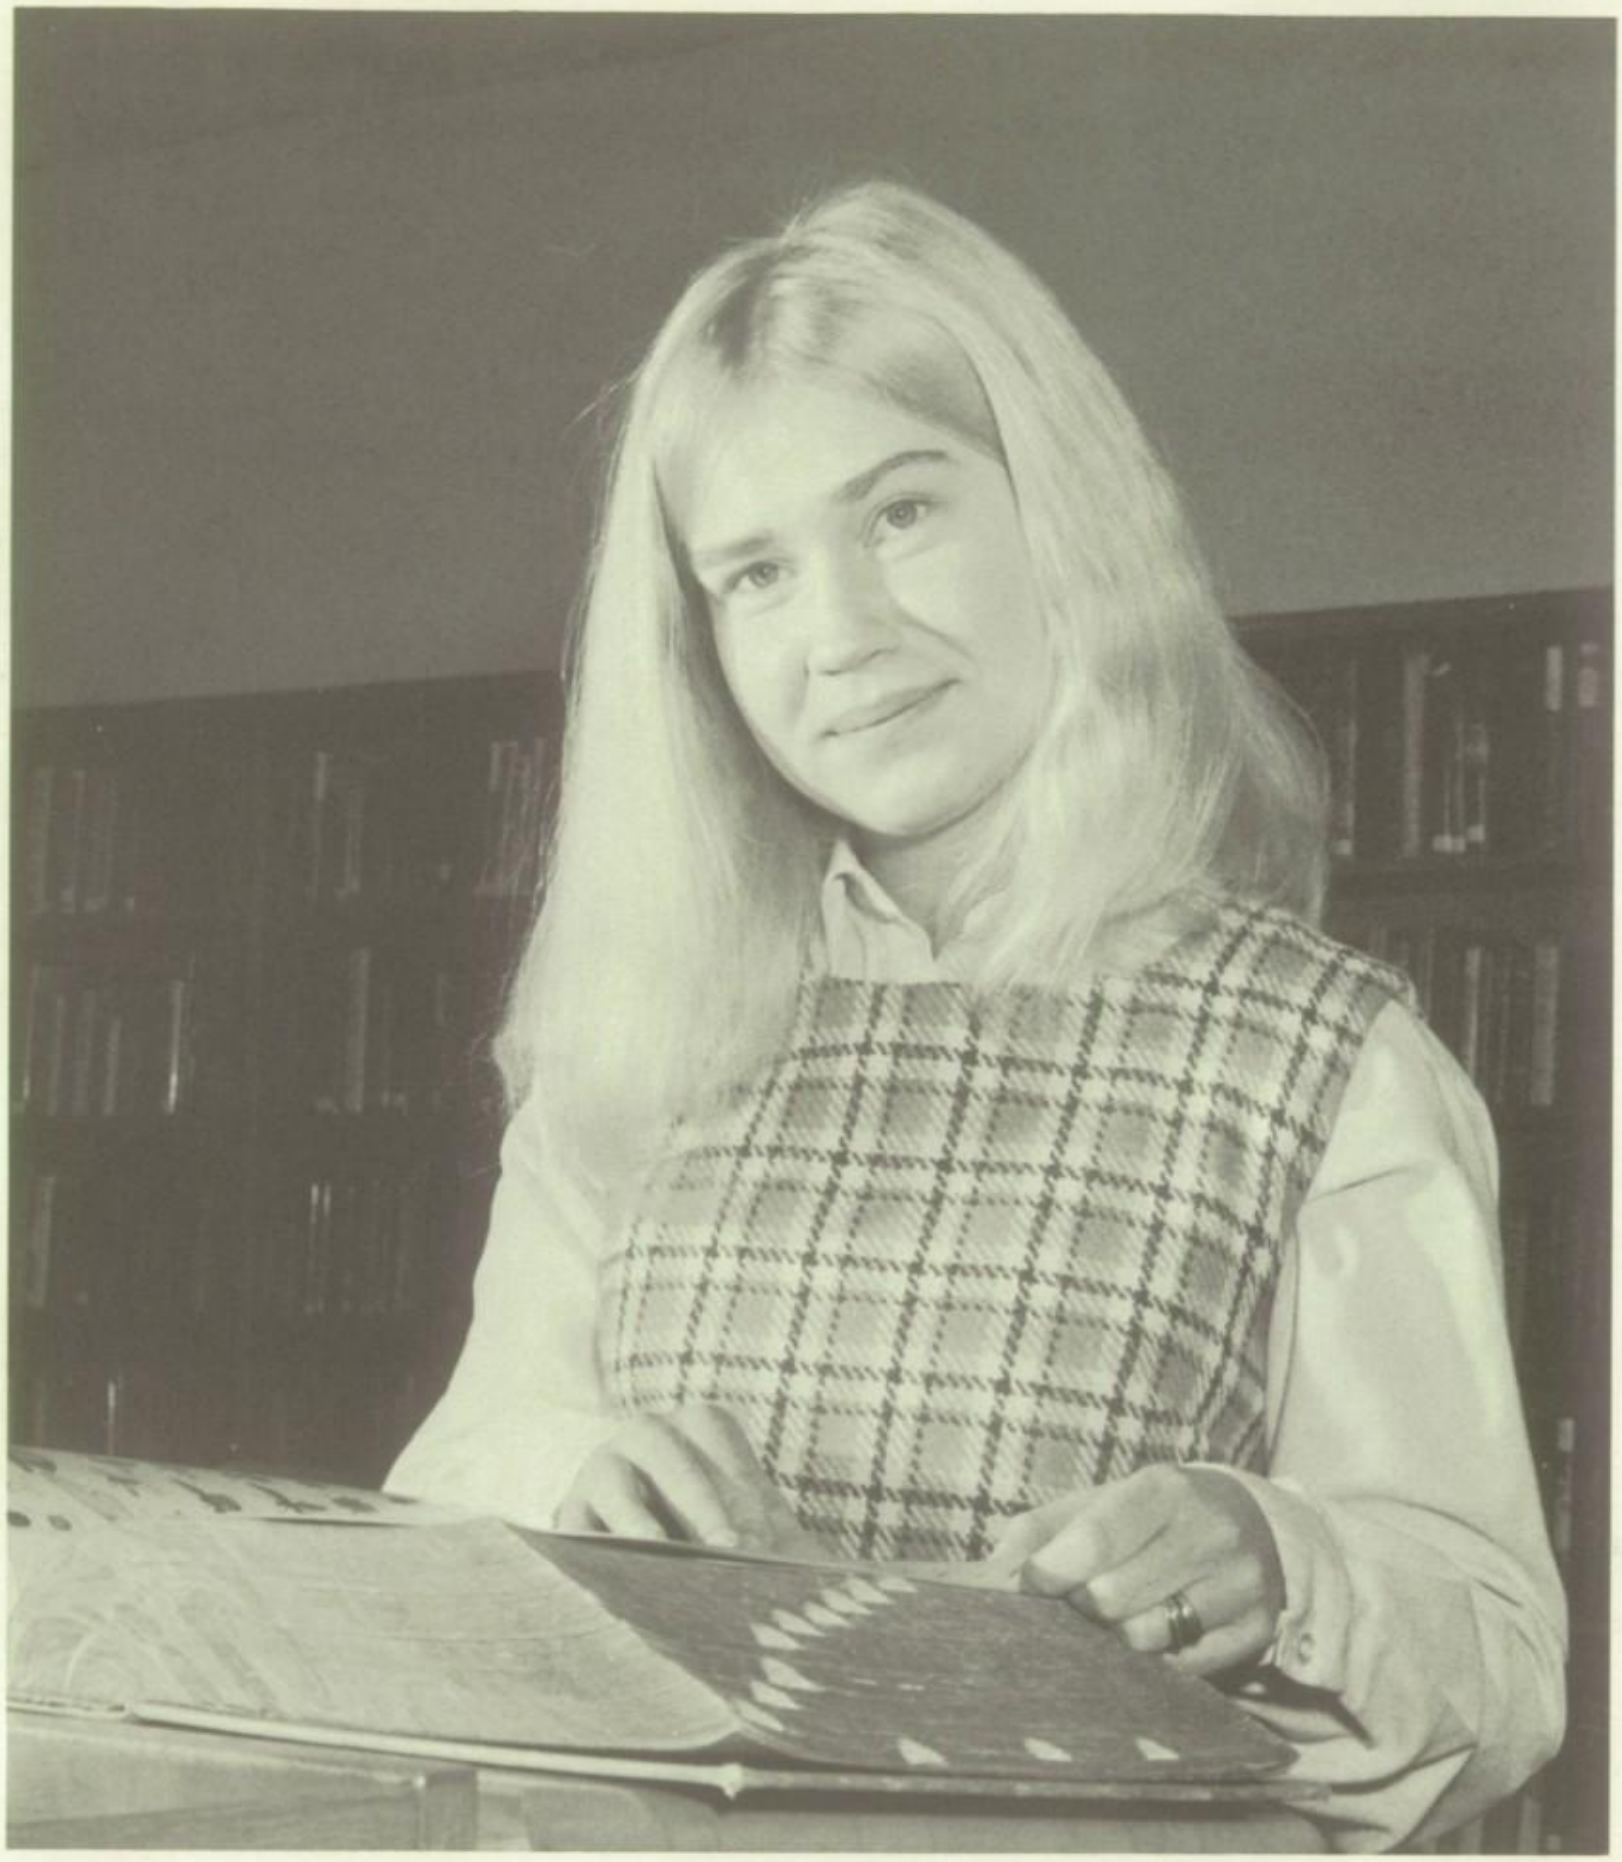
All this has been made possible by the active V.V.S. Student Chapter backed by the local adult chapter. Money has been raised in a great variety of ways, but in addition to the hard work has been the fun of A.F.S. Weekends and A.F.S. Days when all the area A.F.S.'ers have gathered at V.V.S.

Through the A.F.S., which sponsors 3,000 foreign students a year, V.V.S. has been able to make a small contribution to better person-to-person relations among the people of the world.



SISSEL HALDEN

Hei, hvordan har dere deb?

I live in the suburban part of Oslo, the capital of Norway, a city of about five hundred thousand people. There are six members in my family: my mother and father, two brothers, one twenty-one years old and the other ten, my sister who is eight years old, and myself. I go to a business type of school where I have twelve subjects and must attend even on Saturdays. I have a different schedule every day of the week. Oh, well, it is not quite as bad as it sounds. I have one year left in that school. After that I will probably attend the University of Oslo.

I was very happy that I was able to spend this year with you here in the United States. I hope that I have brought to you an understanding of my country and its people, as I have gained knowledge and understanding of the U.S. You have given me many experiences, and I will thank you at V.V.S. for making this year so enjoyable for me.

Yours always,
Sissel

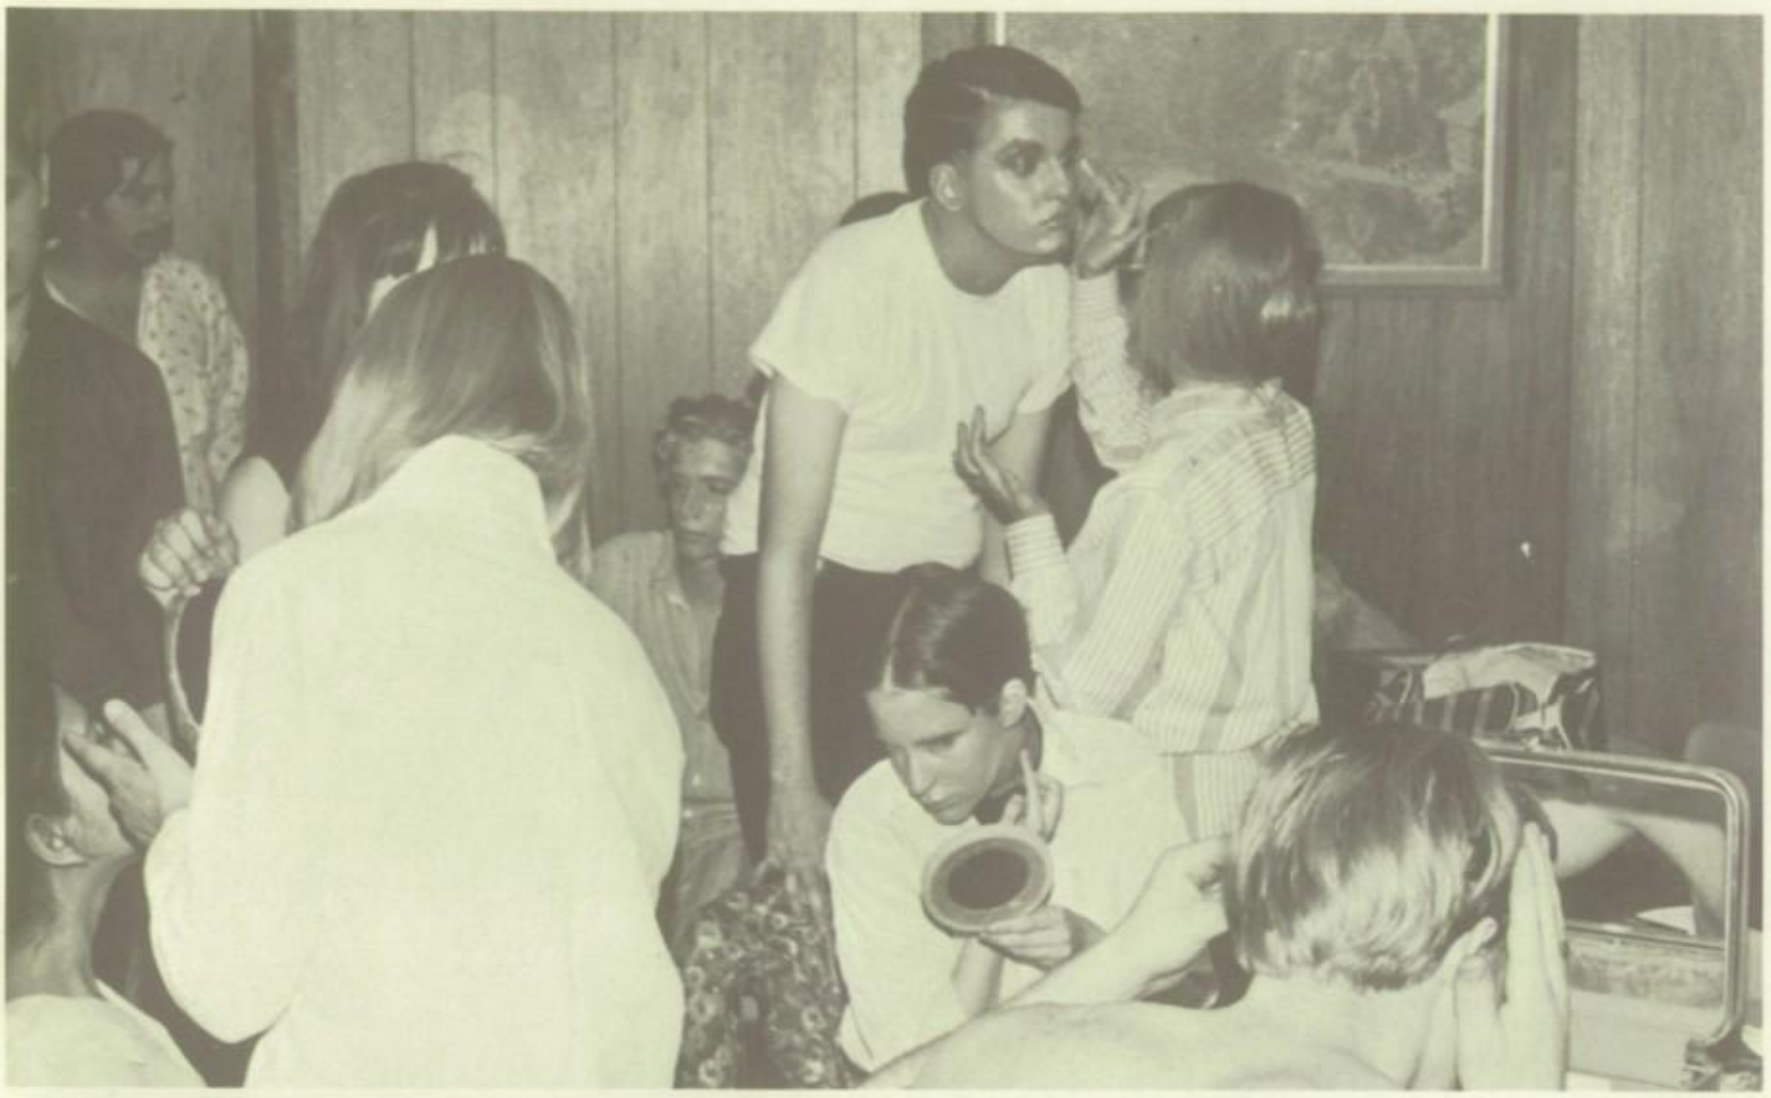
THE WORLD IS A STAGE



"Actors are so fortunate. They can choose whether they will appear in a tragedy or in comedy, whether they will suffer or make merry, laugh or shed tears. But in real life it is different. Most men and women are forced to perform parts for which they have no qualifications. The world is a stage, but the play is badly cast."

DIAMOND ACTION . . .

This 1970 baseball season would have to be termed a disappointing one. We had six starters back from the 1969 team that won the Class A, Section III Baseball Championship, and a winning season was anticipated. We were never able to put everything together.

Despite the season's disappointment, the overall hustle and desire of the team as a whole was a big plus. With a nucleus of eight returning baseball players from this squad for 1971, bigger and better things are hoped for.

SPRING RECORDS SET . . .

The 1970 Track team broke even for the year with a three win-three loss season. Paced by Co-captain Greg Ross, who set two new school records and went on to statewide competition in the 220 yard dash, the team proceeded to set a high standard of excellence which will prove hard to beat.

P.A. CLUB

Even though you may not recognize their faces, you would know their voices. The daily announcements are delivered by members of the P.A. Club. As an extension of the Public Speaking Class, these students assist the vice-principal in bringing you the news of the day.

Row 1: D. Kent, C. Hartzog, B. Haynes. Row 2: B. Cmaylo, L. Ricklefs, E. Goodwin, G. Kapps, K. Twomey. Row 3: G. Greene, K. Deal, R. Finn, C. Manaseri.

LIGHTS! CAMERA! ACTION!

These are words that come to mind when we think of the Audio-Visual Club. Their hard work and determination keep the cameras rolling, tapes going and films coming. These are students interested in audio-equipment, interested enough to be willing to give of their time and effort to live up to the standard: "The show must go on!"

VARSITY CLUB

ORGANIZED TO SERVE

All boys who have earned their letters in any sport, from bowling to soccer, are eligible to join Varsity Club. Through various projects during the year they earn money to go to New York City in the spring. The club also joins together boys with a common interest, to benefit the the school . . .

SENIORS

and I know
'twill be so
'till it's time to go
so come the storms of winter
and then the birds in spring
again
I do not fear the time
who knows how my love
grows?
who knows where the time
goes?

who knows where the time
goes?

THE BEST OF EVERYTHING

The "Top Ten" can only be described with words such as hard-working, determined, studious, and most of all, deserving. These ten seniors have excelled in academic honors since the ninth grade and are truly worthy of this merit. The endless hours of studying have paid off, and the student body of V.V.S. is proud to have these seniors as the "Top Ten."

. . . but the memory still remains,
all the joys and pains
somehow last
even though time's passed.
So long, memory's child.

During your school years, you have learned about the things that will affect your future and thereby determine the pattern of events to come. You began to recognize early that time and timing determines the events that can be manipulated and those that cannot.

However, time passes quickly and there is little you can do about this factor. What you can do is learn to regulate it—to insure that your time always passes fruitfully. As you determine your future, take time to look—it is the price of success; take time to think—it is a source of power; take time to play—it is the secret of perennial youth; take time to read—it is the source of wisdom; take time to be friendly—it is the way to happiness; take time to laugh—it is the music of the heart.

In the final analysis, time is your most personal commodity. You can't save it, you can't borrow it, you can't loan it, you can't leave it and you can't take it. You can do only two things with it; use it and lose it.

Old friends
Old friends,
Sat on their park bench
Like bookends . . .
Can you imagine us
Years from today
Sharing a park bench quietly?
How terribly strange to be seventy
Old friends
Old friends
Memory brushes the same years
Silently sharing the same fear . . .

—PAUL SIMON
